BELEIVING IS BEING CENTER!

Our nearly 10,000 square foot building is vacant and ready to be transformed into the Believing is Being Center – a space where various organizations and volunteers can come together to provide services to the community – Art classes, life skills, tutoring, counseling, fellowship, and mentoring.

We already have volunteers ready to donate their time and skills to run these programs, but we need the updated space.

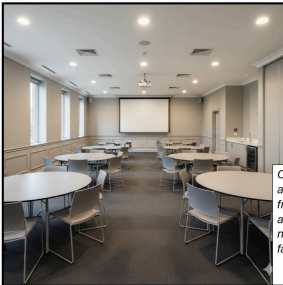

**OUR GOAL IS TO HAVE IT COMPLETED
BY JUNE 2026.**
